SOCIAL ACTION FOR CHILD REHABILITATION EMANCIPATION AND DEVELOPMENT - COMMUNITY BASED REHABILITATION (SACRED CBR)

Brief Report on SACRED CBR and community actions **Kurnool & Anantapuramu Districts A.P.**

SACRED CBR CAPACITY BUILDING FOR PWDs FAMILIES, COMMUNITIES

SACRED CBR Journey began in the year 1994 with six likeminded development workers and other professionals to initiate programs for vulnerable communities in rural area of **Andhra Pradesh**. The **CBR** project initiated in 2 villages with the membership of 46 **PWD's** in Anantapuramu Rural Mandal 1995 – 1996. The organization role could be to facilitate the community well being to exercise the rights with dignity.

Today **SACRED** is playing a catalyst role, creating network and linkages working with poverty prevention associated activities involving the community to act upon those activities.

SACRED believes that development can be achieved only through the engagement of persons with disability in their own development process. Development focuses on empowering persons with disability to claim their rights to opportunities and services. **SACRED** believes in enabling people to realize their lives. It also believes in building inclusive societies, based on equality and non- discrimination and by promoting human rights of persons with disability, families and communities.

CELEBRATING LIVING IN THE COMMUNITY:-

SACRED celebrates individual of **PWD's** families and communities lives through its movements and actions. It is a support to facilitate roles & responsibilities of community to bring the changes in the life's of people with disabilities and their carers overall welfare and development.

SACRED CBR as a strong resource with dedicated staff to promote sanghams of **PWD's** in villages, formation of **DPO's** at mandal level, district and state level. **SACRED** has its own building up community capacities to stain the programs within the community, **SACRED** moving its own direction with significant impact in facilitating roles and responsibilities of **DPO's** in the project.

SACRED conducting leadership training for **DPO Leaders** Parents and community care volunteers. It builds the capacity of local institutions and network with government institutions. **DPO's** mainly focus on Advocacy with Government Department.

SACRED moving towards inclusive approach further strengthening and sustain in the community. It was amazing journey of 25 Years to bring the changes and its outcomes shown through data base tables stated here under.
