

SACRED CBR Adhoni Revenue Division KURNOOL District

A BRIEF REPORT ON CURRENT PREVENTIVE MEASURES ON CORONA VIRUS- COVID-19 in the month of April 2020

I trust you are well, we are fine although we are all in difficult time in the crisis of CORONA Virus – COVID-19 in and around.

As we all know most of the countries are following lockdown situation. But, yet all the staff RDW's , CO's working from home, to interact with SHG's and Leaders of MVS(Mandal Vikalangula Samakya).

The Staff members are working creating awareness on Corona Virus and its preventive measures such as providing food for Quarantine centre Pathikonda Town and Anantapur Quarantine home for street people and security.

COVID-19 Awareness Program

Quarantine Home-Pathikonda-Food Distribution

Quarantine Home- Food Distribution

Police Security- Food Distribution

We would be pleased to share with you few programme activities such as

Preventive Measures :

- 1) To educate on Symptoms of CORONA Virus COVID-19
 - a) Fever (100.4) even higher

- b) Difficulty in Breathing, cough
- 2) To ensure how to protect individual and others from CORONA Virus COVID-19
 - a) Cleaning hands with soap and water or using sanitizers if available
 - b) Cover the nose and mouth with mask, when coughing or sneezing used a flexed elbow.
 - c) Avoid close contacts with any one having cold or flu.
 - d) Avoid shaking hands and hugging.
 - e) Improve immunity thoroughly eating more vegetables, eggs and sometime meat.
- 3) Distributing pamphlets to families in the community which RDT supplied to SACRED.

It is another extraordinary activity to support preventive measures such as stitching masks providing them in their own community by using clothes locally available in villages. This will be significant programme to produce masks by all the women with disabilities trained tailors at SACRED Project. It will be big job not only stitching and training to families and SHG Members how to use those masks, they are washable and they can reuse again.

Stitching and providing Masks in the Community

This activity in a big way demonstrating and teaching the Corona Virus – COVID-19 symptoms.

Another important activity social distance some demonstration, how to follow the measures.

Awareness on Social Distance

Awareness on Cleaning hands with soap and water

The above activities are witnessed few measures in villages, the following photos are contributing to built awareness on Corona Virus- COVID-19.

SACRED CBR focus on sustainable development project to raise funds for DPO's in Kurnool and Anantapur Districts of Andhra Pradesh. We are proposed three projects.

1. Krishnam Reddy palli Mango Garden.

2. Areca leaf plate making project- Kurugunta Resource Centre – In future
3. Green leaf plate making project- Peapully SACRED Office – In future

To initiating the manufacturing units in the project area.

Regarding Corona Virus- COVID-19 spreading in Kurnool District AP rapidly the Government taking efforts to provide all measures preventive and curative measures.

We wish you all keep good health from Corona Virus-COVID-19.

Many Thanks

With Kind Regards

THIPPANNA C C
