

Brief Report on the Progress of “Sustainable Development Project ”

SACRED- GIVAM, ANANTHAPURAM, A.P. INDIA

1. Krishnam Reddy Palli { K.R. Pall} Land Development :

As per our planned programme, they are all in progress. It is accessed electricity connection. Bore well motor pump functioning well.

Accessed Electricity Line and Jowari field with sprinklers for watering

We have started to construct care taker shed to begin with, later we will construct sheds for Milch Animals{Dairy Farm} and live stocks sheds.

We have submitted plan and proposal of above project to Mrs. Anne Ferrer, RDT for finance support construction of sheds, approximate IRS. 8,70,000/-. She is positively responded to support this project, due to her busy schedule, she postponed our meeting, however, she promised to help this project whatever extending possible.

The project details submitted to RDT.

1. Horticulture 2 ½ acres with drip Irrigation.
2. Solar motor pump.
3. Wormy compost
4. Co - 1 grass green fodder for Milch Animals and ram lambs.

At present the water capacity only 1 ½ inch water available in our bore well. We are planning to examine the water source in the same land by geologist in some other place near future.

As you are aware, we have submitted budget proposal for “ Sustainable Development Project” in the month of December 2012 to **Action For Disability, UK**. So for we have received IRS. 1,19,655/-. We are enclosing the same proposal for your kind information. Annexure -1

As you know well about **Cordaid withdrawal strategy**. They are going phase-out in the month of March 2014. Recently we had a discussion with RDT, regarding Cordaid 3 Mandals status. Mrs. Anne Ferrer, Executive Director has agreed to cover those 3 mandals by RDT. RDT will finance for 10 mandals in Kurnool district from April 2014 onwards.

2. GIVAM- VKVAS Mandal Federations :-

We are deeply thinking about 2 mandals that is GIVAM, Anantapur Rural Mandal & VKVAS , Peapully mandal in Kurnool district. They don't have any finance resources available to manage the programme from January 2014.

VKVAS office Building

Income Generation Project{ Flowri Culture}

Hence we request **Action For Disability, UK** will help them to manage small budget for 2 mandals. They are pleased to submit the proposal, Please let us know about your views in this regard.

GIVAM & VKVAS have applied for funding from SERP, Hyderabad{government} for the next financial year onwards. It is under progress, they may be able to hear by January 2014 about the status.

The SERP, Hyderabad sanctioned neighbourhood centre for peapully mandal to start at our new office premises. The cost of neighbourhood centre IRS. 3,00,000/- to equip the centre for rehabilitating disabled children. The next remaining years, they will continue funding IRS. 20,000/- per month to run the neighbourhood centre. This will be a great and very Practical programme for peapully mandal. On the other side, The Samakya members have started Income Generation Programme for their sustainability with the support of Cordaid fund during the final year of the project end.

3. Expansion Programme Through Convergence:-

SACRED has invited by SERP to provide Consultancy to organize series of training programmes for IKP cadets from January onwards in 10 new mandals of Kurnool district. It is expansion programme to SACRED by 2014 onwards, The total 21 mandals will be covered "Disability Development Programmes" through SACRED – IKP-DRDA Convergence. SACRED had series of meetings with SERP, Hyderabad, IKP- DRDA Kurnool to converge both the organizations. The map and the list of villages enclosed Annexure-2 for your kind information.

SACRED will be concentrating the government resources, schemes to access for PWD's in Kurnool district. There are about 20 schemes available for the Welfare of People with Disabilities implementing by Government of Andhra Pradesh. We are keen to tap all the schemes to access for PWD's. 12 mandals federations have registered and started building their capacity in Kurnool district. The Government resources accessed for PWD's list enclosed Annexure- 3.

4. About the status of "Disability With Dignity":-

SACRED sold about 50 books to local NGO's in A.P. The telugu translation in progress. By next year the telugu book will be ready to local community.

SACRED has an opportunity to attend the training programme in Goa on **Leadership in Community Mental Health organized** by "SANGATH" Goa and Bangalore office. We may sell few more books at the training programmes in Goa, it start from 18th to 29th of November 2013.
